Student comments are on the following pages.

What did you like best about this class?

- I like the best about this class is that he explains the math problems very well that makes me understand very well.
- The respect of the instructor as far as teaching.
- I liked that the instructor provided a clear objective to the course.
- Homework didn't have to be done.
- The professor was very helpful in terms of explaining problem solving.
- Michael is a very cool person thought always liked coming to his class. He keeps the course interesting.
- I liked the comedy of the class.
- The instructor teaches clearly and shows a variety of styles.
- The instructor is extremely helpful and patient, especially considering the class consisted of some very loud and disrespectful students. He also possessing a great deal of knowledge was able to better explain the topics discussed.
- He explains well the material and breaks it down.
- Well, the things I like most about the class is that my teacher was very willing to help you understand.
- I like the fact that the professor helps out with problems you may have in the course.
- The teacher taught the lesson very well. He made sure that I understand everything.
- That it taught me again all the math that I forgot.
- He explained everything in perfect English.
- What I like best about this class is that the professor explained every subject at an easy and steady pace.
- That it help me sharpen up with my math.
- We can learn the ... thing easily.

Would you or would you not recommend this instructor to a friend? Why?

- I definitely would recommend this instructor to a friend because he is a great professor and a very nice guy!
