16)	Are there any topics related to this course that you would to see included?	3 Yes	17 No	
17)	Would you recommend this course to another student?	20 Yes	1 No	

**Student Comments:**

He is very understandable. Very nice person to get to know.

He is a great professor. Helps with everyday life. Recommend to every student. Give a raise.

The professor is very patient and willing to work with students. The class is not that bad. Great job picking Professor Guy.

Great Professor, overall no complaints. He's the best. He answers all our questions and is concerned about every student.

He is to be commended. He explains himself very clearly! You get a better knowledge of statistics. He's the best yet.

He teaches pretty good, he went over again. The course uses calculator.

He explains math very well. The course is very informing. He is a great teacher. He explains everything very well.

He does not move on with something else until everyone understands what the work he has given us. I found this course to be easy. I think this would have been a little difficulty, but what made it easier was my teacher. He explained everything detail by detail.

He teaches the class well and also makes sure you understand the work before moving on. The professor makes it worth learning. He is a great professor.

He is a great man.

This professor takes interest in his students. Math is important. You'll need it in your everyday life. Professor Guy is a great teacher and he really cares for his students. Professor Guy makes learning math really fun.

He teaches good. He explains everything. When you need help, he helps you a lot. Easy class to pass and professor explains good to understand.

He's a great teacher. He's an excellent professor.

Professor Guy explains every detail. Professor takes his time to teach the lesson.

Professor Guy explains clearly, even if one is having a hard time, he will make sure we understand the material. The class helps with critical thinking and problem solving.

Professor is very understanding and goes out of his way to explain material. Professor Guy is very good professor. Great professor highly recommended for other students.

Patient, understanding, using great techniques to study with. Excellent personality and lots of fun.
