What did you like best about this class?

- The teacher is friendly. Even though my English is not that good, but I still talk a lot during the class.
- The fact that he was available to answer questions you may have, even if it was after hours via email.
- What I like best from the class? The organization, and material that was given by the instructor.
- The thing I like best about this class is that I actually learn. Actually understand what my professor is staying in precalculus seems easier.
- I appreciate our teacher's appreciation of math. it helped me appreciate it more.
- Not much I don't like math.
- He keeps this class interesting. He has our interest at best. He is also very helpful.
- Instructor makes the class a room a fun environment for learning.
