Assignments and exams are closely related to the course content.	19	5	0	0	0

Student comments are on the following pages.

What did you like best about this class?

- The hours. :)
- When he imitated a character on Sesame Street.
- It is cool! Math is fun
- The instructor's style of teaching.
- I like the fact that he was always available prior to class to discuss classwork as a refresher. I also like his sarcasm.
- The instructor was very helpful and is willing to help encourages students to ask questions and the class itself is enjoyable.
- Excellent explanations and great test reviews.
- The course material is not complicated in the instructor was diligent.
- Relaxed atmosphere and has a study guide for test.
- Easy subject and you don't have to do homework.
- He was available to offer assistance outside of class.
- Our instructor provide well explanations.
- The professor is always on time and he gives good and understandable explanations.
- The atmosphere at the class was the best everyone was friendly with each other and everyone was willing to help each other.
- Relaxed atmosphere easy to learn.
- The professor has a good sense of humor.
- The professor's teaching methods were very effective thorough detailed yet in simple language. So the material was easy to understand.
- Teacher's lecture.
- I like how he breaks down certain things into more detail.
- I like this class because Prof. Michael explains clearly.
- Nothing. Class is very objective. He just teaches you what you need to know to pass the course. Not entertaining, mildly enthusiastic.

Would you or would you not recommend this instructor to a friend? Why?

- Yes, I would. He explains things clearly.
- Yes, I would because he is very clear when he teaches.
- Yes, because he is not a bad one.
- I would recommend this instructor to a friend. Handsome.
- Yes, because his course and workload is very clear and often related to the material on the exam.
- Too much homework? Homework assignments are definitely helpful, but sometimes there are too many problems.
- Yes, I would because the test reviews are great.
- Yes, the instructor does not stray from the material and sets a good classroom atmosphere.
- Yes, overall he's a good teacher.
- I would because he is probably the best math professor at QCC.
- Yes, I would because he will work with you if you're willing to put in the effort.
- Yes, I would recommend him to a friend for he is always willing to help students who do not understand material.
- I would recommend this instructor, because he explains well, the exams are fair, but the only negative point which I think he has that he talks too much and spent a lot of time just explaining even the simplest thing.
- Yes class was interesting and learn a lot.
- Yes, because he is fair and well organized.
- Absolutely recommend every student who would take a math class. Math is not an easy subject for me, however, I was able to comprehend a lot because he didn't rush and taught at a decent pace.
- Yes, I would. Because this instructor is very helpful and funny. You can learn a lot from him.
- No, because he starts out simple, but then he ends up dragging things out and making it more confusing. He starts to lose me after a short time and I don't like what point he was trying to make.
- I wish to recommend my classmates to him.
- If you are a serious student and want to take this class you will have no problem passing. I would recommend this class.
